Eddy has had extensive experience in the equestrian world: competing from a young age in showjumping, eventing and dressage, a stint of military service in the Royal Stables riding and training for the Royal family, followed by training as a Bereiter and International 4 star judge and still finding the time for a successful competition career training numerous horses to Grand Prix with success.

As international 4 star judge and trainer Eddy's expertise has been sought worldwide over the last 20 years: judging World Cup, National and International Championships and at the World Young Horse Championships. Eddy has also been the National Coach for both Chile (2010) and Turkey (2011).

Back home in the Netherlands Eddie is a published author as well as selection consultant for the Dutch teams and examiner for the Dutch Academy in Ermelo.

Don't miss this rare opportunity to train with one of the World's best young horse judges and trainers.

Lessons are \$200 for 45 mins.
