## **Membership – Where does my money go?**

In terms of membership costs, Equestrian Victoria membership compares very favourably to most other sports annual membership fees and other State Branches.

The individual membership fees for 2010- 2011 are listed below and take into account increases in National levies and 2.1% CPI for 2010 calendar year.

The following information hopefully will help you understand how your fees are spent and how this benefits you and our sport. This breakdown is based on a 2010-2011 Senior membership, with similar costing applying to all membership categories.

### **National Levy – \$ 52.50**

The National levy is a portion of your membership that is allocated to Equestrian Australia for the purpose of administering our sports. The National Office is the interface for all international matters. These include overseas competitions, licensing, horse identification, FEI officials, FEI seminars, FEI events held in Australia, World Cup, Australia's participation in world-wide series, updating of FEI rules etc.

### **International Competition and Development Fund (ICDF) - \$ 9.50**

The ICDF grants money to projects and events that are within the "International Competitions" category and those which further develop the sport in general as well as in particular sports. The Finance Committee encourages applications from organisers of workshops, clinics and seminars for riders, coaches, trainers and officials.

### **Insurance - \$ 42.87**

The policy provides personal insurance cover for EA members for injuries sustained whilst engaged in recreational non-income deriving equestrian activities twenty-four (24) hours a day. (Full policy brochure is available at [www.vic.equestrian.org.au](http://www.vic.equestrian.org.au) or by calling AON Insurance directly 1800 806 493).

**GST** – As per Tax Office guidelines, one eleventh of all income is remitted to the Australian Tax Office for GST.

### **Equestrian Victoria Administration**

The balance of your fees goes towards the running costs of the Equestrian Victoria office. We are a non-profit organisation. However, we have costs and endeavour to balance the annual EV budget. Major administration expenses include magazines, website, postage, printing, stationery, telephone, fax, computers, salaries and other costs associated with office administration.

Equestrian Victoria membership is about being part of a structured organisation that formulates rules, regulations, training, coaching and competitions in equestrian sports. Your membership also contributes to the support of Werribee Park National Equestrian Centre, sport at regional, state, national and international levels. It is this support through membership which helps secure the future of horse sports in Victoria and Australia.
